# About Women's Equality Day

**On August 26th,**  
**1920** the 19th  
Amendment to the U.S.  
Constitution was ratified,  
granting women the right  
to vote. In 1971, the U.S.  
Congress designated  
August 26th as Women's  
Equality Day to  
commemorate the  
passage of the 19th  
Amendment and to  
celebrate women's  
continuing efforts toward  
equality.

# About Women's Equality Day

## Why celebrate?

We celebrate Women's Equality Day to commemorate the tremendous positive change brought on by the Women's Movement. Due to the countless millions of women who planned, organized, lectured, wrote, petitioned, lobbied, paraded, and broke new ground in every field imaginable, our world is irrevocably changed. Today's activists remind us all to celebrate and cherish past and present accomplishments of the Women's Movement before they are lost to history.
